Casgliad o ysgrifau wedi eu hysbrydoli gan ‘Guto’r Glyn.net’ <gutorglyn.net>, y golygiad electronig newydd o farddoniaeth Guto’r Glyn (*fl. c.1435–90*), a ystyrir gan lawer fel bardd Cymraeg pwysicaf y bymthegfed ganrif. Gwahoddwyd arbenigwyr ym maes hanes a diwylliant Cymru yn yr Oesoedd Canol diweddar i gyfrannu penodau yn eu dewis iaith, ac ymhlith y pynciau a drafodir mae trosglwyddiad y cerddi yn y llawysgrifau, hanes, gwleidyddiaeth, crefydd, diwylliant materol yr uchelwyr, cerddoriaeth, daearyddiaeth a rhyfela.

A collection of essays has been inspired by ‘Guto’r Glyn.net’ <gutorglyn.net>, the new electronic edition of the poetry of Guto’r Glyn (*fl. c.1435–90*), considered by many to be the most significant Welsh poet of the fifteenth century. Experts in the history and culture of late medieval Wales were invited to contribute in their chosen language, and among the topics discussed are the manuscript transmission of the poems, history, politics, religion, the material culture of the *uchelwyr*, music, geography and warfare.
